## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-11 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
3. Claim 1 recites the limitation "the roof bow panel" in line 8. There is insufficient antecedent basis for this limitation in the claim.
4. Claim 1 recites the limitation "the outer roof panel" in line 10. There is insufficient antecedent basis for this limitation in the claim.

### ***Claim Rejections - 35 USC § 102***

5. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

6. Claims 1 and 2 are rejected under 35 U.S.C. 102(b) as being anticipated by Chang et al.

Re claim 1, Chang et al. discloses an assembly for an article of manufacture, the assembly comprising a first member (12) of the article of manufacture, a second member (14) of the article of manufacture opposing the first member, a first expandable material disposed between the first member and the second member, the first expandable material (22E) configured

Art Unit: 3612

for expanding a first amount upon exposure to a condition, and a second expandable material (22) disposed between the first member and the second member, the second expandable material configured for expanding a second amount upon exposure to a condition, the first amount being greater than the second amount and the second amount being a volumetric expansion of about 5% to about %700 (see column 17, lines 23-35).

Re claim 2, the first member is a panel and the second member is a panel (see figure 1).

### *Allowable Subject Matter*

7. Claims 3-11 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

8. Claims 12-23 allowed.
